I will tell you this Hilde, I know it isn't you. I know you think I am writing about you but I am not. I know who Carly Future is. I cannot wait for you to find out who it is too. Carly Future is using Hilde to set you up. Don't get tricked by this. She is always one step ahead o you.

they'll stop." They will. So ignore it. It's not that hard to do. Story Wars isn't a place to lament, DarkAngel77. So, I would formally recommend that we just forget this ever happened. Also,

Story Wars process:

1. Someone starts a chapter.
2. Other people write another draft that is completely relevant, carrying on the story.
3. People vote on the the draft that they feel works the most.
4. 2-3 repeat until chapter 8 when the story finishes.

You could just read the stories, too. But, Are we clear? This site isn't meant to be obsessed about Carly Future. If you want that, email me, and I'll make it for you.

I think it's pretty clear who wrote this but,
-Hilde!!!

P.S. Sassy Cassy: It may appear that I hate you because most people think YOU are me and Carly Future. Thanks for that. Why does it sound like you are stalking me?
